

Kinship Support Program

The Kinship Program is in collaboration with the Department of Family & Children Services

The Kinship Program is in collaboration with the Department of Family & Children Services. The goal of the Kinship Support Program is to provide support, resources, and guidance to relative caregivers of children in foster care which encourage empowerment and strengthens families.

Some of our Community Partners:

- KAFPA
- Second Harvest Food Bank
- First 5 of Santa Clara County
- HelpOneChild
- ParentsHelpingParents
- 4Cs

Community Resources

- Current Events For Kids & Adults
- Current/ongoing Trainings
- Seminars & Support Groups
- KidsPark
- www.freecycle.com
- Meeting Basic Needs

Resource Specialists can help:

- Provide resources and guidance to help meet your family's needs
- Provide support before, during, and after the placement of a child in your home
- Assist with communication between your family and Social Services staff
- Assist families with adoption packet & provide information on guardianship
- Provide guidance on what to expect from the child welfare system and the dependency court process
- Help empower families to advocate on behalf of themselves and their children

Adoption/Home Study Services

The Resource Specialists are trained to help families navigate, understand, and work through the process.

They can guide, explain & work with families to fill out the necessary forms to submit a completed application.
